**About IIHT**

IIHT, incorporated in 1993, is a leading IT talent transformation company and a technology evangelist in the retail and enterprise space. Having dedicated over two decades to creating learning paths that are

closely aligned to the ever-evolving demands of the IT industry, IIHT has truly been a pioneer in technology training. At IIHT, we recognize the requirements of the IT industry and work towards tackling challenges that prevent the growth of both the enterprise and its workforce. All of IIHT's learning strategies and platforms are thoughtfully designed, adopting all innovations in IT allowing, us to guarantee a rich and interactive learning experience.

We are also looking at a long term relationship. We assure you to provide assistance in placements for your students in the future as well.

Universities and institutions that have suspended face-to-face classes or closed their campuses temporarily are finding innovative solutions to minimize the disruption for their students. To help institutions minimize the impact further, IIHT is launching a program to assist universities and colleges by giving free access to IIHT's online content library.

While panic seems to be the button some are reaching for, we are looking at a different button– the one that you press to go ONLINE. Affected universities can sign up to provide their enrolled students with access to more than 2,500 online courses from IIHT's content library. Registered learners will have access to our content library for 30 days from the date of provisioning, which is subject to extensions depending on prevailing risk assessments. Unrestricted access to IIHT's trending courses, **absolutely free of cost**. No conditions apply.

### **HOW THE PROGRAM WORKS**

- Access a library of 2500+ IT-related courses
- Modular videos mapped towards learning paths
- Admin dashboard and online support resources
- Easy and secure access
- Institutions can seek access for their students

Offer validity is based on license availability
