HackWithInfy

Greetings from Infosys!

They say third time is a charm and we are ready for it!

It is our pleasure to announce that the third season of [#HackWithInfy](#) in India is here. #HackWithInfy is our flagship India-wide hackathon to not just provide a perfect stepping stone for students to explore their passion for coding and programming, but also an opportunity to compete and earn a chance to work with Infosys.

We are thankful for all the support and collaboration that you provided for #HackWithInfy 2019. The competition witnessed **1,18,000**+ registrations from students all over India. Infosys offered **3000**+ pre-placement interview opportunities through #HackWithInfy last year.

Registrations for #HackWithInfy 2020 are now open to all B.E./B.Tech/M.E./M.Tech students graduating in the year 2021.

Steps for Registration:
· Students in your college/institute/university need to first register on **[InfyTQ](#)**, our learning and engagement platform**.**
· Click on the **#HackWithInfy program banner at the top of their InfyTQ homepage to access HackWithInfy registration page.**
· **The last date for registration through InfyTQ is <u>Monday, February 24, 2020.</u>**

We expect all the students to carefully read the Terms and Conditions and the Privacy Notice for #HackWithInfy 2020 before they register.
Infosys will consider registration on InfyTQ by a student as an acceptance of these terms and conditions.

Here is all that you need to know about this year's edition:

#HackWithInfy competition offers
· Cash prizes worth INR350,000 to the winners
· Pre-placement interview opportunities for **[Power Programmer](#) and System Engineer Specialist** roles at Infosys

· Opportunity for students to showcase their programming skills and earn peer recognition.

#HackWithInfy 2020 will be conducted in three rounds.

· Round 1 – An individual online challenge that will be held on Sunday, March 15 and Monday, March 16, 2020

· Round 2 – An individual online challenge that will be held on Sunday, March 29 and Monday, March 30, 2020

· Round 3 – Final round that will conducted in a grand finale at our sprawling Infosys Pune campus from Friday, July 3 to Monday, July 6, 2020. Infosys will sponsor travel and accommodation for the selected finalists.

Online challenges in Round 1 and 2 will be conducted on a competitive coding platform which will be announced later.

We need your support in providing computer labs with good Internet connectivity to conduct the online challenges for Round 1 and 2. We request you to tentatively reserve your computer labs in advance for the mentioned dates. The details will be communicated shortly.

Competing with diverse talent is a great way for students to showcase their expertise. Your unwavering support in encouraging your students to participate is what we are counting on to make #HackWithInfy 2020 successful.

You can visit the #HackWithInfy website for more details. Please feel free to contact me for clarifications.

Let's make #HackWithInfy 2020 grand, together!
