Microsoft AI Classroom Series in association with NASSCOM for 3 hours of learning and 30 minutes of live Q&A session at free of cost to the students

Supports the*

Training 01

Microsoft AI Classroom Series in association with NASSCOM.

I request all the students to make use of this opportunity.

Please refer to the following.

- Microsoft AI Classroom series is an initiative by Microsoft in association with NASSCOM FutureSkills® and supported by GitHub.

- The AI Classroom series is for 3 hours of learning and 30 minutes of live Q&A session. These sessions are introduced by leading data scientists and AI influencers.

- Post the workshop completion, an assessment will be conducted and the students get 3 attempts to clear the assessment.

- The certificate will be a joint certificate offered by Microsoft and NASSCOM FutureSkills®

- Exclusive Microsoft Official Course (MOC) material on AI with Azure lab access, $100 Free Azure credit*, including, 25+ Azure services and 14+ developer tools, GitHub Student Developer Pack* including $200k worth of tools and training, Certificate of Participation* for Microsoft AI Workshop, will be provided for registered students.

Training Dates: 14.12.2020 to 19.12.2020 (Students can chose any one day in between)

Students should learn by choosing the date and timing of the modules based on their own pace by clicking and booking the time slot through the link.

All interested students are requested to register in the link below and make use of a wonderful opportunity for the future through Microsoft in association with NASSCOM.

<div align="center">Registration Link</div>

<div align="center">**https://futureskillsprime.edcast.com/insights/ai-classroom**</div>

Microsoft has joined forces with NASSCOM FutureSkills® to deliver Microsoft's AI, machine learning and data science expertise to students through a simulive learning series including demos and live Q&A*

Upon successful completion of the course, you can download your **Certificate of Participation****

For more details, please visit aka.ms/AI4Students

When:

14 - 19 December, 2020
2 PM – 5.30 PM

Where:

Simulive virtual sessions. Register for any one of the session and get skilled at your own pace, from where you are.

How it works.

In campus communication → Students receive email with registration link → Students register → Attend online session → Receive email to take online assessment → Take online assessment → Answer 30 multi-choice Qs. → Pass Score = > 60% → Download certificate of participation / Missed Score < 60% → Retake assessment

Register now

*Q&A will be via live chat with the subject matter experts.
**Conditions apply.
